Eye Health Management Program VSP includes our eye health management reports, free of charge in this program and will be reporting data back on the following conditions: <i>Diabetes, Glaucoma, Hypertension, Retinopathy, Macular Degeneration and High Cholesterol</i>		

Out-of-Network Reimbursement

Although more than 95% of our patients see VSP doctors, we believe choice is essential when it comes to health care. That's why VSP provides an out-of-network reimbursement allowance for patients choosing a non-VSP provider.

Exam	\$39.00
